WEBINAR: Pharmacovigilance and clinical trials oversight in sub-Saharan Africa in the era of COVID-19

Wednesday, 12 May 2021, 14:00-15:30 South African Standard Time

Keynote speaker: Dr Helen Ndagije (Director: Product Safety, National Drug Authority, Uganda)

The University of the Western Cape, South Africa and SPaRCS partners invite all interested to this interactive webinar which seeks to sensitise a broader health systems and public health audience to pharmacovigilance (PV) and clinical trials oversight of medicines and vaccines. We will also be sharing information about the SPaRCS project and commence conversations for networking & collaboration within sub-Saharan African countries.

*SPaRCS aims to strengthen pharmacovigilance (PV) systems and clinical trials oversight of National Regulatory Authorities (NRAs) in Namibia, South Africa, Eswatini and Zimbabwe.
